Mr. S. Hudson Chapman

Dear Sir,-

I have the honor to inform you that the Committee on Nominations of the University Archæological Association, upon the nomination of Mr. C. Pollard Coleman, believing that you will be interested in its aims and labors, have elected you a member of the Association. I trust that you will kindly inform me at an early date of your acceptance of the membership.

The Association has for its object the maintenance of the Department of Archaeology and Palaeontology of the University of Pennsylvania, electing from its membership thirty of the thirty-six Managers of that Department, which, with its aid, has conducted and assisted in excavations in Babylonia and Egypt, besides prosecuting important work in American fields.

The Museums of the Department, located in the Library Building, Thirty-fourth Street and Woodland Avenue, comprise four sections: American, Babylonian, Egyptian, and Oriental, each of which is in charge of a special curator. A Loan Exhibition of Objects used in Worship has also recently been opened. You are cordially invited to visit the Museum and inspect its collection.

The annual dues of the Association are five dollars, for which a bill will be sent by the Treasurer, when notified of your acceptance of membership.

Yours Respectfully,

Stewart Culin
